2. Volunteer Positions

Every summer we rely on our amazing parent volunteers to assist the coaching staff to make the summer possible. Volunteering is a great way to meet fellow members, give back to the swim club and really become a part of the Crescent Beach community. Whether this means picking up a timing shift at our swim meets or helping to organise a CBSC function, any help is greatly appreciated. This summer we are looking to fill the following volunteer positions:

1. Timers for all meets**
2. Stroke and Turn Judges for all meets**
3. Competitive Swim Regional Breakfast Co-ordinator (August 3rd)
4. Competitive Swim Regional Dinner Co-ordinator (August 5th)
5. B- Meet volunteers (all positions) contact Janet Petras jpetras@hotmail.com

** We are asking that each competitive family commit to 1 stroke and turn or timing shift per swim meet this summer. It’s important that new families take on these roles to share the responsibility with the rest of the club. We will be hosting a **Stroke and Turn Clinic on July 3rd at 7p.m in the CBSC clubhouse** and we highly recommend that all swim parents attend. At the clinic you will be provided with the training required for you to be able to perform competently as a Stroke and Turn Official. These officials are a vital part of a swim meet. They are a combination of volunteer parents from each club participating at the meet. They ensure that the rules relating to the style of swimming designated for the event are being observed and play a vital part of each swimmer development. By getting involved you will be able to learn what the various roles around the pool deck are, and also make the long meet days feel shorter by participating.

We are hosting a **parent meeting on July 3rd at 6:15pm in the CBSC Clubhouse** to discuss our program guidelines, expectations, and rules. Thank you and hope to see everyone there!
