**Welcome new team members and welcome back to returning team members!** We have a great development program lined up for you. This training program is meant as a first step for CBSC Swim Team members. Swimmers will improve their strokes (freestyle, backstroke, breaststroke and butterfly), build endurance and strength and be introduced into the techniques of speed swimming and competitions. Swimmers are encouraged to attend Developmental swim meets (see dates below). Training is **once a day M/T/Th/F** with two groups based on age.

**Training Groups:**

Dev Swim (ages 7yrs - 11yrs) M/T/Th/F from 12:45pm to 2:00pm - 15 mins dryland (active stretching) & 1 hour of pool time.

Senior Dev Swim (11yrs and up) M/T/Th/F from 1:45 to 3:00pm - 15 mins dryland (active stretching) & 1 hour of pool time.

July 20th - CBSC 'B' Meet -Noon start

List of Competitive Regional swim meets is available from Comp Swim Coaches. If you want to attend any of those meets you **MUST** have a BCSSA Membership - see info below - more details available at parent meeting.

**Save the Date:**

**Parents meeting** Tuesday July 4th 7pm-7:30pm - chance to meet the head coaches, get lots of info and ask your questions.

**Stroke and Turn Clinic** Tuesday July 4th 7:30pm - 9pm - CBSC Director of Officials will walk you through what it means to be a stroke and turn official at a swim meet. This will help you understand why kids are disqualified (known as a DQ) at meets and how swim meets run - all officials are VOLUNTEERS and the support of our CBSC parents is CRITICAL! Please come and see, no commitment, no fear, and we even provide beverages and snacks! What's stopping you???

**\*\*BCSSA Membership (British Columbia Summer Swimming Association)**

If you would like to participate in regional meets you MUST purchase a BCSSA membership (membership is not required for meets at the CBSC pool). Cost is \$42 and is valid until April 30, 2024. If you participated in Spring Training you already have a BCSSA membership for this season. This membership will be valid if you decide to join Winter Maintenance. Your BCSSA membership covers all competitive disciplines (Speed Swimming, Water Polo, Art Swim and Diving).

If you **do not plan to participate in regional swim meets (only the meet at the CBSC pool)** you do not need BCSSA membership.
